

For Me You Died

Faithful one, Jesus Christ thanks for your everlasting love.

Offensive, hardship and torture you endure for me.

Raucous and without remorse you been beaten repeatedly

Mercy you show to the nations until the end.

Everlasting love, that gives his last breath for me.

You paid the highest price with your blood on the Calvary

Obedient till the end, for the sake to save our souls.

Unfair is how you have been treated at the cross on Calvary

Dying as an innocent Lamb, to paid of my sins.

In Heaven you have been glorified, to keep bestowing

Everlasting Love, Blessings and Mercy to the Universe

Devoted to you I will keep this act of Love in my heart.
