

## **“My chat with the Lord”**

*I dream, that I and the Lord were chatting.*

*The Lord ask me, tell me my daughter what is trouble you.*

### ***I reply to the Almighty Father:***

*Father I know deep in my heart that you are my Savior, my Redeemer, and my Everything.*

*I want to grow closer to you, but every time I take a step forward closer to you, adversity and troubles start haunting me.*

*It seem that whenever I start to pray to tell you how much I love you and know that you always there for me and my family, my mind start to wandering to all direction and all kinds of thought start popping up and disturb that Holy and Precious moment that I spend with you, my Holy father in Prayer.*

### ***The Lord answer:***

*My Beloved Child, I know that you love Me and even though your mind sometimes wander away, I know that in your sincere heart I Shine Bright as always.*

*Even though you are fret, and troubles want to tumble you down, you have that Faith and Courage in Me, to stand up and keep on going.*

*Even though you, yourself is going through adversity, you are always ready to share My words of wisdom and Hope with others, and put a smile on their face and in their heart.*

*My child don't stop walking in my Love and Light.*

*Aim right there watching your steps and guiding you.*
